ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Primary Share, Secondary Share, Polar Bear, Teen Vision, Holiday Club, Vacation Club, Summer Club, IRA Share Savings, Horizons Account, Cash Management, Interest Checking, Kasasa Saver, and Kasasa Cash accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Primary Share, Secondary Share, Horizons Account, Cash Management, and Interest Checking accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the separate Rate Sheet. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. The Kasasa Saver and Kasasa Cash accounts are tiered rate accounts. Please refer to section 2 for additional details about these accounts.

2. KASASA ACCOUNTS — For all Kasasa accounts, you may qualify for monthly rewards if you meet the applicable minimum qualification requirements for monthly qualification cycle. To meet the minimum qualification requirements, you must: 1) make 15 Debit card purchases that post and settle your account; 2) have one ACH debit or credit, direct deposit, or bill payment settle your account; 3) be enrolled to receive e-statements. The monthly qualification cycle is defined as one day prior to the first banking day of the current statement cycle through one day prior to the last banking day of the current statement cycle. Account transactions may take one or more business days from the date the transaction was made to post and settle to the account. All transactions must post and settle during the monthly qualification cycle in order to qualify for the account's reward. The following transactions do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit purchases processed by merchants and received by our credit union as ATM transactions, non-retail payment

transactions, and purchases made with debit cards not issued by our credit union.

Kasasa Saver. The Kasasa Saver account is a tiered rate account and is available only to holders of a Kasasa Cash or Kasasa Cash Back account. If you meet the minimum qualification requirements for your Kasasa Cash or Kasasa Cash Back account during the monthly qualification cycle, the first dividend rate and annual percentage yield listed for this account in the separate Rate Sheet will apply if your balance is \$25,000.00 and below. The second dividend rate and annual percentage yield listed for this account on the separate Rate Sheet will apply if your balance is from \$25,000.01 or greater. Each dividend rate will apply only to that portion of the account balance within each balance range. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle for the Kasasa Cash or Kasasa Cash Back account, the third dividend rate and annual percentage yield as listed in the separate Rate Sheet will apply to the entire balance in your Kasasa Saver account.

Kasasa Cash. The Kasasa Cash account is a tiered rate account. If you meet the minimum qualification requirements during the monthly qualification cycle, the first dividend rate and annual percentage yield listed in the separate Rate Sheet will apply if your balance is \$25,000.00 and below. The second dividend rate and annual percentage yield listed on the separate Rate Sheet for this account will apply if your balance is from \$25,000.01 or greater. An ATM receipt must be provided for any ATM fee of \$4.99 or greater to receive the refund. ATM refunds will be paid on the last business day of the month. If you have a Kasasa Saver account, dividends earned on the Kasasa Cash account and ATM fees refunded to you will automatically be transferred to your Kasasa Saver account; in that event, dividends will not compound in the Kasasa Cash account. If you do not have a Kasasa Saver account, dividends earned and ATM fees reimbursed will remain in your Kasasa Cash account and dividends will compound in your account as listed in the Rate Schedule. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third dividend rate and annual percentage yield as listed in the separate Rate Sheet will apply to the entire balance in your Kasasa Cash account and ATM fees will not be refunded to you. One Kasasa Cash account or

Kasasa Cash account with Kasasa Saver account is allowed per social security number.

Kasasa Cash Back. For Kasasa Cash Back accounts, you will receive 3.00% cash back on up to \$300.00 in PIN-based/signature-based debit card purchases that post and settle to your account if you meet the minimum qualification requirements during the monthly qualification cycle. If you do not have a Kasasa Saver account, cash back earned and fees refunded will remain in your Kasasa Cash Back account. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, you will not earn a cash back reward and ATM fees will not be refunded to you. One Kasasa Cash Back account or Kasasa Cash Back account with Kasasa Saver account is allowed per social security number.

Also, for each monthly qualification cycle, you will also receive up to \$10.00 in iTunes, GooglePlay®, or Amazon.com credit for purchases posted and settled to your account during the qualification cycle when you meet all of the minimum qualification requirements. In addition, we will refund up to \$20.00 (max. \$4.99 per single transaction) in ATM fees assessed at nationwide ATMs we do not own or operate. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, you will not receive the iTunes, GooglePlay®, or Amazon.com credit and ATM fees will not be refunded to you. The iTunes, GooglePlay®, and Amazon.com credits will expire after 45 days. However, for the \$10.00 in initial iTunes, GooglePlay®, or Amazon.com credit, the credit will expire after 45 days.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING —

The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Horizons Account and Interest Checking accounts, there is a minimum daily balance required to avoid a service fee for the dividend period. If the minimum daily balance requirement is not met during each day of the dividend period, you will be charged a service fee as stated in the Fee Schedule. For Primary Share, Secondary Share, IRA Share Savings, Horizons Account, Cash Management, and Interest Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the separate Rate Sheet. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.
