KASASA® | TAKE BACK BANKING®

*APY=Annual Percentage Yield. APYs accurate as of 3/1/23. **For Kasasa Cash: When your Kasasa Cash account qualifications are met during a Monthly Qualification Cycle (1) daily balances up to and including \$25,000.00 in your Kasasa Cash account earn a dividend rate of 4.00% resulting in a non-compounding APY of 4.00% and daily balances over \$25,000.00 earn a dividend rate of 0.25% on the portion of the daily balance over \$25,000.00, resulting in a non-compounding range from 4.00% to 0.80% APY depending on the account's daily balance. When Kasasa Cash qualifications are not met, ATM withdrawal fees are not refunded and the dividend rate earned on the entire daily balance in the account will be 0.01% resulting in an APY of 0.01%. Qualifying transactions must post to and settle Kasasa Cash account during monthly qualification cycle. Transactions may take one or more banking days from the date transaction was made to post to and settle to the account. ATM-processed transactions do not count towards qualifying debit card transactions. "Monthly Qualification Cycle" means a period beginning the day after the close of the previous qualifying cycle through the 2nd to the last business day prior to the close of the current statement cycle. The advertised Kasasa Cash APY is based on compounding dividends. Interest in Kasasa Cash does not compound because it is automatically transferred to the Kasasa Saver account within one day. Note: Automatic transfer may cause an overdraft to your Kasasa Cash account. If the account's balance is less than the transferred amount when transfer occurs. For Kasasa Saver: If qualifications in Kasasa Cash are met each monthly qualification cycle: balances up to and including \$25,000 in Kasasa Saver receive an APY of 3.00%; and balances over \$25,000 in Kasasa Saver earn 0.25% dividend rate on portion of balance over \$25,000, resulting in 3.00% - 0.80% APY depending on the balance. If qualifications are not met on Kasasa Cash, all balances in Kasasa Saver earn 0.01% APY. Contact one of our credit union service representatives for additional information, details, restrictions, reward calculations, processing limitations, cycle dates and enrollment instructions. Federally insured by NCUA. Kasasa, Kasasa Cash Back and Kasasa Saver are trademarks of Kasasa, Ltd., registered in the U.S.A.
